Canon Vixia R700/R800 Cheat Sheet

1. **Zoom switch**
2. **Record Start/Stop button**
3. **The battery charging port is obscured under the grip on this side of the camera**
4. **Lens Cover Switch**
5. **Power Button**
6. **Playback gallery button**
7. **Battery (charges on the camera)**
8. **SD Card Slot**

The Vixia has a touchscreen, so all menus are navigated via touch.

To format card, enter playback gallery and at the bottom press the edit button, then select “delete” and “all scenes”
