

# Worksheet #15: Continuations and Work-First vs. Help-First Work-Stealing Policies

Name: \_\_\_\_\_

Netid: \_\_\_\_\_

For each of the continuations below, label it as “WF” if a work-first worker can switch from one task to another at that point and as “HF” if a help-first worker can switch from one task to another at that point. Some continuations may have both labels.

1. finish { // F1

2.    async A1;

3.    finish { // F2

4.      async A3;

5.      async A4;

6.    }

7.    S5;

8. }
