Here are the steps needed to get your own project space:

- Log into the [Apply](#) system with your **net Id** and **password**
- Click on **Account Maintenance** on the right menu
- Click on **Project Management** on the right menu
- Enter your project information into the form and submit the data
- Your project will be created within a couple of hours (**unless there is some problem with the create scripts**)
- Project creations start every 30 minutes, on the hour and half-hour.

This new campus wiki, **wiki.rice.edu**, has taken the name of a previous wiki available here at Rice. If you wish to get to the old wiki data you can see it at <http://oldwiki.rice.edu>.
