## Scanning Books/Magazines/Brochures into PDF with Flatbed Scanner

You can scan book chapters, magazine pages, documents, and brochures into PDF files with Epson Scan 2 using the flatbed scanners located at stations 10, 11, 12, 13, and 4.

## Scanning a book/magazine/brochure/document into a PDF file with Epson Scan 2

- 1. Turn on the scanner. Lay the page face down on the flatbed of the scanner. Align it to the upper right corner or upper left corner following the arrow sign on the different model of scanners.
- 2. Open Epson Scan 2
- 3. Select the right scan settings based on the document type

Scanner:	EPSON Perfection V700/V75 ᅌ
