Gobi Ebooks

How can I tell which ebooks can be ordered in GOBI? and which must be ordered via the Eproducts ordering form?

Ebooks from the following **sources** may be ordered in GOBI (*last updated 7/31/2012*):

- Ebooks on EbscoHost (previously NetLibrary)
- Ebrary
- EBL
- CQ Press Online
- CRC Press
- IGI Online Content
- JSTOR
- Project Muse
- Sage Online Content
- Wiley Online Library

This is true for individual books **only**. Any *publisher* covered through these *sources* may be ordered.

Packages or collections **may not** be ordered via GOBI.

Ebooks from other sources (including dictionaries, encyclopedias, etc.), ebook packages, and all databases & ejournals must be ordered using the Electronic Products Trial and Order Form.
