

GIS/Data Center Guides Home

Short Course Instructions

Getting Started with ArcGIS Pro Series

- [Introduction to GIS Data Management](#)
- [Introduction to ArcGIS Pro](#)
- [Introduction to Geographic Coordinate Systems and Projections](#)

Bringing Data into ArcGIS Pro Series

- [Mapping Tabular Data](#)
- [Mapping Locations Using XY Coordinates](#)
- [Mapping Imagery](#)
- [Creating Vector Data](#)

Manipulating Data in ArcGIS Pro Series

- [Introduction to Geoprocessing](#)
- [Data Interpolation and Extraction](#)
- [Python and ArcGIS \(Under Construction\)](#)

Presenting Data in ArcGIS Pro Series

- [Map Layouts for Publication](#)

Spatial Statistics in ArcGIS Pro Series

- [Measuring Geographic Distribution](#)
- [Analyzing Spatial Patterns](#)

Demographic and Business Data Series

- [Introduction to Census Geographies](#)
- [Introduction to Demographic and Business Data Products and Sources](#)
- [Social Explorer: Exploring Census Data](#)
- [SimplyAnalytics: Exploring Demographic and Business Data](#)
- [Bringing Census Data Into ArcGIS](#)

ArcGIS Online Series (Under construction)

- [Getting Started with ArcGIS StoryMaps](#)

Topical Guides

Anthropology

- [ANTH 355](#)

Architecture

- [ARCH Studios - Houston](#)
- [ARCH Studios - International](#)
- [ARCH Studios - US \(coming soon\)](#)

Civil Engineering

- [CEVE Hydrology Lab 1](#)
- [CEVE Hydrology Lab 2](#)
- [CEVE Hydrology Lab 3](#)
- [CEVE - Intro to ArcGIS Pro for Civil and Environmental Engineering](#)

History

- [HIST 207 - Introduction to ArcGIS Pro](#)
- [HIST 207 - Introduction to GIS Data Management](#)
- [HIST 207 - Georeferencing Historical Maps](#)
- [HIST 207 - Digitizing Historical Data](#)
- [HIST 207 - Geoprocessing Historical Data](#)

Earth Science

- [ESCI 545 - Hydrocarbon Systems Analysis](#)

GIS Data

- [Houston Data](#)
- [International Data](#)
- [US Data \(coming soon\)](#)

GIS Methods

- [Project Management](#)
- [Processing Data](#)
- [Exporting](#)
