

Correspondences wiki

Welcome to the Correspondences wiki!

Here we will share information about the Correspondences website and its editing procedures.

Logging in

The Correspondences site is live at <https://correspondences.rice.edu/>

To login to make edits, manually go to <https://correspondences.rice.edu/user> and **click the "Netid Login" to login** with your Rice netid.

After successfully logging in, you should be redirected to the Correspondences homepage and you should see a dark grey bar at the top. This "Management" bar is how you will create new content in the site.
